Greetings from Italy...

The Organizing Committee has the pleasure and the pride to invite all countries in Italy for the ICSD Deaf Football World Cup 2016. We will host 24 national teams (16 male and 8 female) in the cities of Capaccio/Paestum – Agropoli – Eboli (all in the province of Salerno). The O.C. has the support and cooperation of FSSI (Italy Deaf Sport Federation) and FIGC (Italy Football Hearing Federation).

Welcome to Capaccio/Paestum:

Paestum is the most beautiful city in Magna Grecia. The majestic Doric temples, illuminated by sunlight and the long coastal strip, brushed by a sparkling sea, are the elements which make Paestum a charming place in which you can spend your holidays. The old city is located in a strategic position, a few km South of the Amalfi Coast and on the north of the Cilento Coast, it is the door to the National Park of Cilento. Considered by the U.N.E.S.C.O. as a world heritage, Paestum remains, for its art, nature, tastes and events which characterize it, one of the most important beautiful cities of Magna Grecia, which must be visited and discovered

Welcome to Eboli:

Eboli is always placed in a beautiful land that forms a natural hinge between the coast and the hinterland.

You can see many archaeological sites, natural areas, museums. all belonging to different cultures and civilizations.

Welcome to Agropoli:

The town of Agropoli in the Province of Salerno is defined as the doorway to the National Park of Cilento and Vallo di Diano, rising on a headland that dominates the southern side of the gulf of Salerno behind the mountains of Cilento.

Sea, history, gastronomy, nature and hospitality are the elements that make Agropoli an important tourist and seaside resort of the Province of Salerno.
